(National emblem)

DECISION

The Transport Authority (hereinafter referred to as the "**Authority**") as the competent public administration body and safety authority in matters of airways and designated technical facilities and designated activities pursuant to the provisions of Section 101(b) and Section 103(2)(b) of Act No. 513/2009 Coll. on Railways and on Amendments and Supplements to Certain Acts, as amended (hereinafter referred to as the "**Railways Act**"), pursuant to Section 17(4) of the Railways Act and in accordance with Section 46 of Act No. 71/1967 Coll. on Administrative Procedure (the Code of Administrative Procedure), as amended (hereinafter referred to as the "**Code of Administrative Procedure**"):

Issues

AUTHORISATION

For the installation, repair, maintenance, and renovation of designated technical facilities

Registration number: **E – 48/2026**

for

Business name: **Rail Workshop, s. r. o.**

Registered office: **Šalviová 878/40, 821 01 Bratislava – town section Ružinov**

BIN: **52961711**

Validity of authorisation: **Until 30 June 2029**

Conditions of validity of the authorisation:

This authorisation is valid for the **installation, repair, maintenance, and renovation** of designated technical facilities on railways pursuant to Section 17(1)(a) of the Railways Act and pursuant to Decree of the Ministry of Transport, Posts, and Telecommunications of the Slovak Republic No. 205/2010 Coll. on Designated Technical Equipment and Designated Activities and Activities on Designated Technical Equipment, as amended (hereinafter referred to as "**Decree No. 205/2010 Coll**."):

a) E2 – Railway electrical networks and electrical distribution systems up to and including 1,000 V AC and 1,500 V DC,

b) E6 – Electrical equipment of railway track vehicles, including wagons and track mechanisms,

c) E10 – Railway electrical equipment test facilities.

The following conditions must be met for activities carried out under this Authorisation:

1. The technical documentation, according to which the activity is carried out, must correspond to the Slovak Technical Standards, legal regulations, the actual design of the electrical equipment and the condition found during verification.

2. Activities provided in the framework of cooperation by other entities shall only be accepted from legal entities or natural persons which are authorised to carry out the designated activities in question pursuant to Section 17(2) of the Railways Act.

3. The designated activities must be performed by persons employed with professional competence for the performance of activities on designated technical equipment pursuant to Section 18 of the Railways Act and Section 22 of Decree No. 205/2010 Coll.

4. The performance of the designated activities shall be ensured according to the condition found during the examination of the legal entity's professional competence and conditions for performing the designated activities.

5. Notify the safety authority of changes in the facts which were decisive for the issue of the authorisation within 15 days from the date on which the changes occurred.

If the safety authority finds any serious deficiencies in the performance of the designated activities which may affect the safety of operation of the designated technical electrical equipment or the safety of the operation of the railways or of transport on the railways, or finds non-compliance with the conditions of the authorisation, the safety authority shall initiate proceedings to limit the scope of the authorisation or to revoke it.

G r o u n d s

On 23 June 2026, the authorized company, AVDOP s. r. o., Milana Marečka 5, 841 08 Bratislava (hereinafter referred to as the "**applicant**"), submitted an application for authorisation to perform designated activities on designated electrical technical equipment, to which inspection report No. .7/2026/AVDOP-Zo/E/PO dated 22 June 2026 was attached on the verification of compliance with the requirements for the performance of designated activities under the Railways Act, carried out by the authorised legal entity AVDOP s. r. o., Bratislava. The application was registered under number 47556/2026 and filed under file No. 20370/2026/OUTZ-0001. Upon receipt of the application, administrative proceedings were initiated for the issuance of an authorisation to perform designated activities pursuant to Section 17(4) of the Railways Act. The inspection report contained the following annexes

listed below, which served as the primary basis for verifying compliance with the requirements:

1. Power of attorney of AVDOP s. r. o., Milana Marečka 5, 841 08 Bratislava provided by Rail Workshop, s. r. o., Šalviová 878/40, 821 01 Bratislava, BIN: 52961711 to submit an application and perform acts related to the issuance of the Authorisation dated 22 June 2026.
2. A copy of the certificate of professional competence for Ing. Boris Brzáč, No. 37/2026/AVDOP/E, dated 23 April 2026.
3. An extract from the Commercial Register, No. el-17556/2026.

Since the applicant filed the application electronically and thereby met the conditions for a reduction in the administrative fee rate, pursuant to Section 6(2) of Act of the National Council of the Slovak Republic No. 145/1995 Coll. on Administrative Fees, as amended (hereinafter referred to as the "**Administrative Fees Act**"), the administrative fee under Item 203(a) of the Schedule of Administrative Fees of the Administrative Fees Act, in the amount of €200, was reduced by €50. An administrative fee in the amount of €150, pursuant to Item 203(a) of the Schedule of Administrative Fees under the Administrative Fees Act, was paid on 30 June 2026, via eKolok for the issuance of an authorisation under special regulations to perform designated activities involving designated technical equipment on railways.

The Authority reviewed the documents submitted and found that the applicant had submitted all the necessary documents, thereby fulfilling the conditions for the issuance of an authorisation to perform the designated activities, and therefore decided as stated in the statements of the law contained in the decision.

A d v i c e

An appeal may be lodged against this decision with the Transport Authority, M. R. Stefanik Airport, 823 05 Bratislava, within 15 days of delivery in accordance with Section 111(3) of the Railways Act. A timely appeal has suspensive effects.

Ing. Ivan Škoda, EUR ING, MBA
Director of the Railways and Rail Transport Division
